BEAT THE BOX

 1.5 - 2.5 HOURS

 INDOOR - OUTDOOR

 5 - UNLIMITED

 COMPETITIVE - COLLABORATIVE

The Box challenged you; will you be able to beat it? A race against time to open what seems inviolable, using the clues provided and the 1.5 kilos of gray matter you have available, and putting everything in synergy with your team. But once you open the box, you will discover that all this was just the beginning: a series of containers await you, in a precise sequence, each with a code to decipher. You know you can't stop, because only by opening them all will you be able to find the final sequence to enter in the briefcase, and only the correct code will stop the timer. Other teams are fighting for the same result; which of you will beat the box? The answer, that's for sure, will open your eyes.

LEARNING OUTCOMES

In Beat the Box teamwork and a collaborative mindset are essential for success: everyone's skills are needed to solve problems and develop creative solutions. The pressure is intense, but a cool head, a logical approach, and a self-confidence will guarantee success. Teams learn to work efficiently and effectively within limited time constraints. But it is the final twist that makes this teambuilding unique: teams will find that there is no way to beat the box by working alone; only by deciding to cooperate with each other and joining the clues will they be able to find the correct code.
